

CONSTRUCTION MANAGER

Lakeland Central School District

Shrub Oak, NY

- **CLIENT:** Lakeland Central School District—George Stone, Superintendent 914-245-1700
- **ARCHITECT:** Fuller D'Angelo Architects—William Means, 914-592-4444
- **Total Project Capital Cost:** \$9 Million

Calgi Construction was selected by the Lakeland Central School District to manage Phase 2 and Phase 3 of the District's Capital Improvement Plan. The 2nd phase primarily consisted of specific site work improvements, hazardous material abatement, installation of generators, air conditioning and a complete upgrade of their IT infrastructure including phones and security cameras. Phase 3 will consist of Roof, Synthetic Field and Flooring Replacements at various schools within the district.
