Augustana Lutheran Nursing Home Brooklyn, New York New Addition & Parking Structure

As Owner's Representative on the \$12 million addition and parking structure, Calgi was selected by the Home to manage this project on their behalf and was given the total responsibility over Construction Management, Architectural / Engineering Design Professionals and Financial Accountability.

The Project included the construction of a new five level parking structure along with a six story addition to the home to house new offices, new Resident Activity Rooms and expanded Nurses' Stations.
