911 Communication Center

Town of Ossining Police Facility Ossining, New York

Serving as the Town's Construction Manager on their first Public Facility, Calgi was entrusted to manage and oversee the construction of the Town's new Police Facility. Additionally, Calgi was given total responsibility over Construction Coordination, Architectural and Engineering Design Professionals and Financial Accountability.

The \$3.2 million, 8,500SF facility incorporated a 24-hr Dispatch Center with 911 service, Community Room available for Police and Public use, state of the art Prisoner Processing Center, drive through sally-port, Administrative Offices, Holding Rooms, Arraignment Rooms and Men's and Women's Locker Facilities and Fitness Center.

State of the art electronic systems includes fiber optic communications, closed circuit television viewing, isolated security access utilizing palm and card entry and two-way intercom.
